* This information will be used only to send you a receipt and for questions related to billing.

....

USENIX/SAGE Email Policy

We would like to send you occasional announcements via email, such as news of forth-
coming USENIX conferences. Email is the quickest way to receive information. It's also
cost-effective, which helps us keep our membership fees as low as possible. Remember,
USENIX does not share, sell, rent, or exchange email addresses of its members or confer-
ence attendees. See http://www.usenix.org/membership/privacy.html.

Please send me:

❏ Occasional announcements likely to be of interest to me, including offers from carefully selected partners.
❏ USENIX announcements only.
❏ USENIX announcements via email only.
❏ USENIX announcements via snailmail only.
❏ Only explicitly defined member benefits (e.g., *;login:*) and mailings and emailings as required by member-
   ship policy (renewal notices, election announcements and ballots), and no information about conferences.

Member Profile

Please help us serve you better. By answering the following questions, you can help us
plan our activities. All information is confidential.

What is your primary job function? Please check only one.

1. ❏ System/Network Administrator

USENIX
THE ADVANCED COMPUTING SYSTEMS ASSOCIATION

Founded in 1975, USENIX, the Advanced Computing Systems Association, is dedicated to supporting the community of engineers, system administrators, scientists, and technicians working on the cutting edge of the computing world. Our mission is to:

- Foster technical excellence and innovation
- Support and disseminate research with a practical bias
- Provide a neutral forum for discussion of technical issues
- Encourage computing outreach into the community

We always welcome the input, participation, and suggestions of our members regarding the organization. This is your community—we encourage you to get involved!

Don't miss out on the valuable benefits of your membership. Renew today!

Standard Membership Benefits

sage
A USENIX SPECIAL INTEREST GROUP

SAGE is a Special Interest Group within USENIX. The purpose of SAGE is to advance the status of computer system administration as a profession, establish standards of professional excellence and recognize those who attain them, develop guidelines for improving the technical and managerial capabilities of members of the profession, and promote activities that advance the state of the art or the community.

Current SAGE activities include:
- Sponsoring local user group meetings
- Supporting local SAGE groups
- Fostering relations with international affiliates
- Offering programs including a jobs board, a resume posting service, and an annual salary survey

SAGE Membership Benefits
- Discount on registration for LISA, the annual Large Installation System Administration Conference
- The option to join sage-members, an electronic mailing list for peer discussion and advice
- Access to the SAGE Web site, which includes:
  - Employment and job placement services, including real-time email notification of new jobs posted
  - Full text of Short Topics in System Administration booklets
  - Immediate access to the comprehensive *SAGE Salary Survey*
  - Access to the archives of the sage-members mailing list
- The latest Short Topics in System Administration booklet for every member
- Discounts on all print Short Topics in System Administration booklets
- Discounts on *Sys Admin* and other publications

Please note that *;login:* is available only as a benefit of USENIX membership.
